Dear Friends and Colleagues!

It is a great pleasure to welcome you to the 34th Congress of the Nordic Association of Otolaryngology held in Reykjavik, Iceland June 10 – 13 2020. The congress will be in Harpa, concert and conference center. Harpa is located in the heart of Reykjavik, overlooking the bay and mount Esja. It is close to most of the congress hotels, art galleries, shopping areas and restaurants.

Our goal is to offer an excellent scientific programme and we urge you to follow us on the conference website where the theme of the congress, speakers, programme and social programme will be posted as they evolve.

We will offer various congress excursions to encourage participants to use this opportunity to take time to enjoy the unique nature of Iceland as well as exchange information on the many fields of otorhinolaryngology.

Welcome to Reykjavik in June 2020

Warm regards from the Organizing Committee
